## FOREIGN CANDIDATES

Dear student,

you're on the right page to submit an application to a dormitory, click **SIGN UP**.

After clicking SIGN UP you will be asked to fill 2 sections:

1. The distance (in kilometers) from your address of residence to the university building in Opole at Plac Kopernika 11 along realistic paths of communication (the distance can be determined by online services like Google Maps. Foreign students and phd students enter the distance from their address of residence outside of Poland to the University building).
2. Monthly income (in PLN) for 1 person in a family in the previous fiscal year - eg. for the academic year 2022/2023 it's required to provide income from the year 2022.

Lack of properly administered data will result in a rejection of the application.

-----  
The list of persons who will be assigned a place at one of UO dormitories will be published some time before 19 September this year.

The candidates who need an accomodation certificate for the purposes of documentation in an appropriate Polish Consulate should contact UO International Students Office by e-mail (hello@uni.opole.pl).

**Read the instruction on the left! You will have to provide the 2 details after clicking 'Sign up'. Make sure you know the 2 values.**
